## OUTFITTING CHAMPIONS SINCE 1983

With our commitment to excellence and continuous research to improve the performance we are finally launching the new game-changing KTex material and the new PLATINUM model.

- ◎ *It has the same outstanding fit as all the Kurt Thune models.*
- ◎ *The stiffness of the new KTex material is optimized to give the best possible stability for the shooter to improve the performance*
- ◎ *Designed for excellence in all 3 shooting positions*
- ◎ *All the material choices are made to allow the best natural position.*
- ◎ *The smart placement of the top grip material prevents sliding and holds in different positions*
- ◎ *Leather brings durability and comfort*
- ◎ *The elastic materials allow the perfect fit and ease to get into the different positions*
- ◎ *The Clarino under the left arm holds the arm in the standing position*
